Bill Atkinson · 2nd

Principal Consultant

February 3, 2012, Bill worked with Duane on the same team

I have known and worked with Duane for a number of years on a number of projects. He is a creative force with an ability to work on all levels of your project. Practical and results oriented, he is able to fully analyze your needs; create, design, and implement effective solutions; and in the most economical of ways.

Duane is a person you call when you need experience and creativity for success. And, is a very good person.

Joe Camacho · 3rd

Designer/VP at Gel Company Inc

November 16, 2011, Joe was Duane's client

Duane has provided our company with service beyond expectations since 1999. His guidance and expertise in manufacturing planning, laminating and die cutting has saved our company a lot of money in production costs and helped us introduce unique products to market
